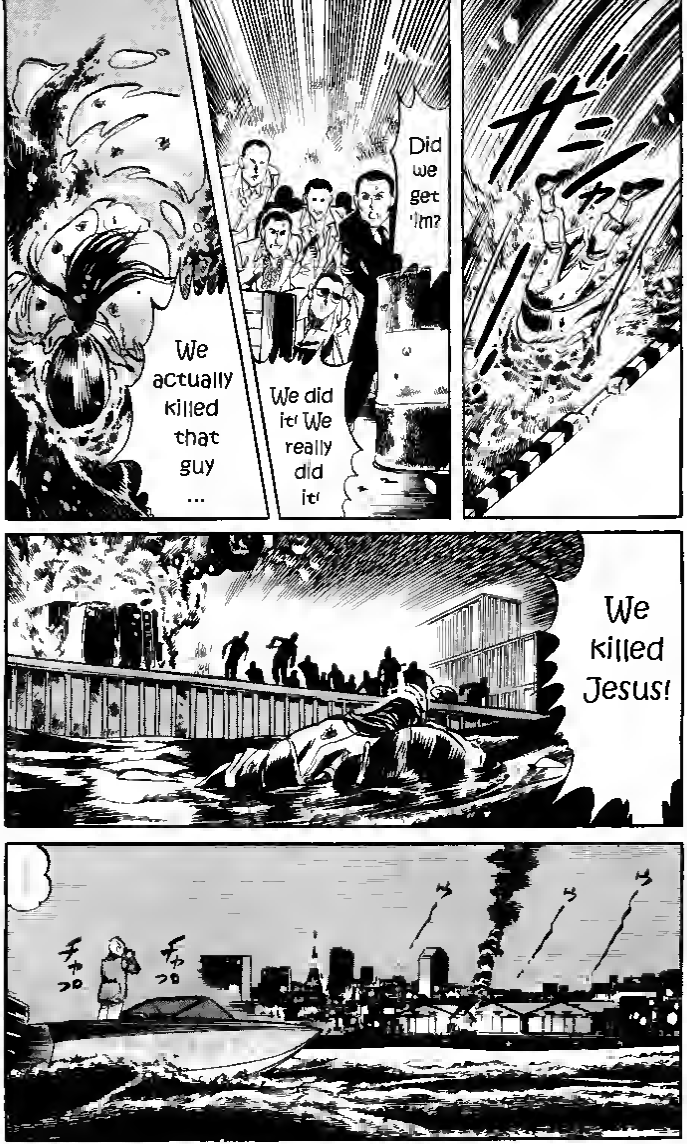
■七月鏡一　藤原芳秀■

There was once a tale of a reaper surrounded by blood and flame.
In both face-to-face combat and assassination he was a pro. No one he set his sights on ever escaped. In South America... in Africa... he downed countless enemies in a sea of blood.
That reaper was called "Jesus". Not a soul knows his real name or past.
JESUS
Lesson 1

Lesson 1
The man who died twice ①

Several months ago, Jesus plundered an entire ton of heroin from a criminal organization.
For days the mafia, the police, and other organizations hotly pursued Jesus and the heroin.

Get 'im!
But soon the day arrived, when Jesus was punished for his foul deeds.



We actually killed that guy ...
We did it! We really did it!
Did we get 'im?
We killed Jesus!

So Jesus is dead.
Looks like his days of running are over.
Dozens of bullets just ripped through his body
and his corpse is swimmin' with the fishes.
Sure looks like it.
All thanks to that trick of yers.

That guy's yer spittin' image. It was a piece of cake to dupe 'em
That was some kinda miracle though, gettin' our hands on that body
I gotta thank ya Kashihara, you sly old dog
Don't thank me, Jesus, thank that corpse.
Looks like he was born with some kind of condition
He had a heart attack; by the time they got 'im to the emergency room it was already too late.
How did that guy die anyway?
Poor kid ...

Just lemme ask you one thing
Why's it they call you "Jesus"?
Cuz the guys I fight always end up shouting
"Jesus Christ !!"

How much would one ton of heroin getcha anyway?

Um... isn't this the men's room?

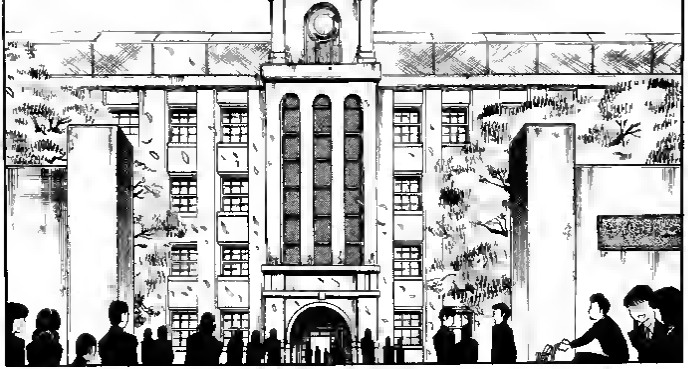
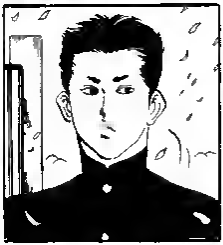
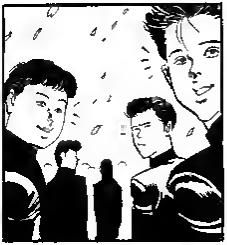
Yes ... Such pure-hearted young women and men, even in their troubled youths ...
As fragile as glass ...
Today is your first day as a teacher, whatever happens.
It is your sacred duty to guide these young people through this turbulent time in their lives.
Can't let some little mistake getcha down, Sayuri.

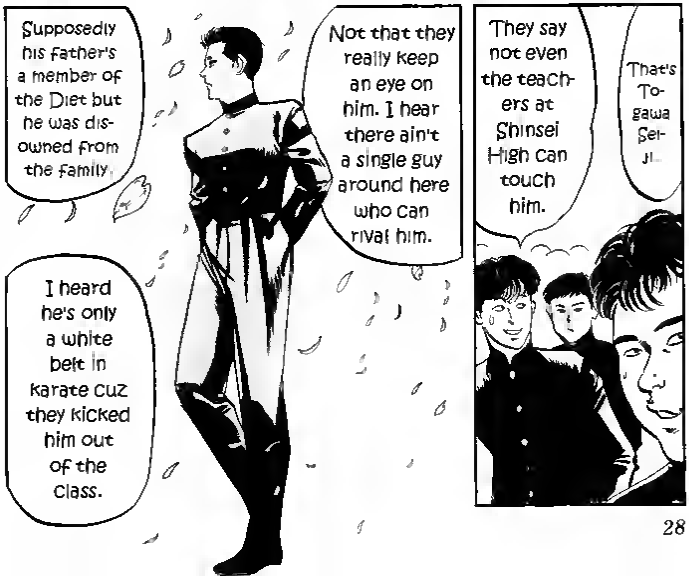
Don' fuck with me you sonuva-bitch!
Sure takes some balls t' be walking around here like you been!!
Yer tellin' me Togawa from Shinsei High is a little bitch like you?!
Get yer smelly face away from me.
It's making my nose burn.
Think we should show this bitch some love?

What was that?!
The stink was making my nose just as bent up as yours









Supposedly his father's a member of the Diet but he was disowned from the family.
Not that they really keep an eye on him. I hear there ain't a single guy around here who can rival him.

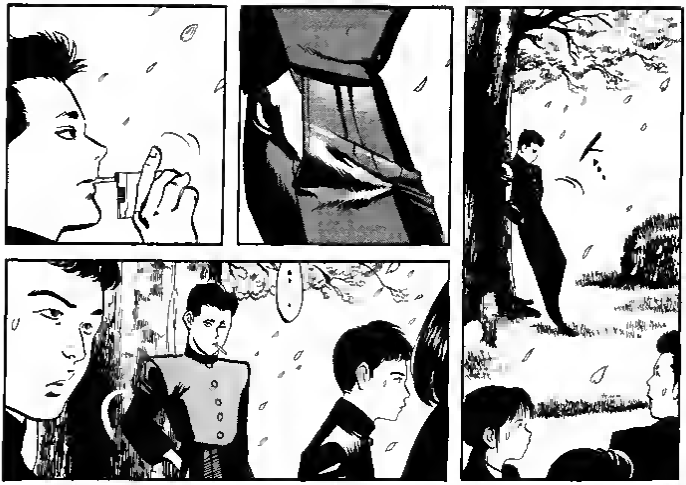
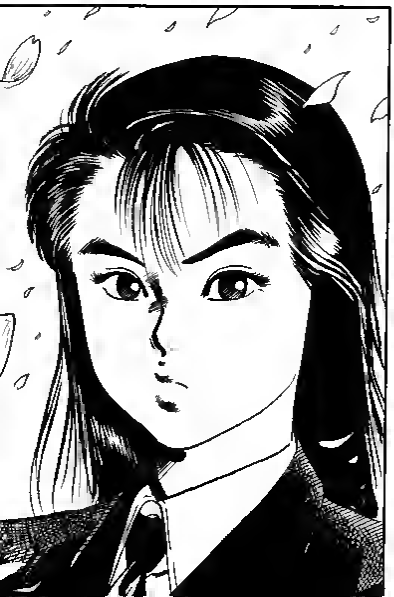
That's Togawa Seiji...
I heard he's only a white belt in karate cuz they kicked him out of the class.





Didja know? This week I'm officially droppin' out of school.
Got the PTA holdin' their breath.
You're still smoking that garbage, Togawa-kun?
Well, if it ain't Noshiro Yukiko.

Yes, the strongest model. It doesn't use screws or nails, making it impossible to break in by wearing them down.

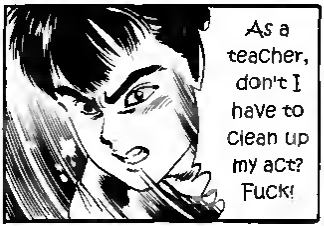
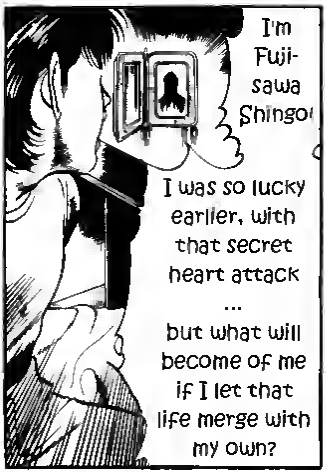
Do you think you would still be making fun of me?
Stop mocking me!

Isn't there another way to do this?!
Stop mocking me!
Of course, they'll want to demolish the old school.
NEST OF BEAST
It's scheduled to be complete next March.
At your high school, there's a strong urgency to get the new school built.
when the year's up, you'll have lost your chance for certain.
So if you can somehow manage to quietly check every single blackboard ...

You're in the perfect position for this opportunity.
There won't be any questions if you toss the blackboards in with the construction garbage.
During the daytime, use all your strength to remove them.



As a teacher, don't I have to clean up my act? Fuck!



I'm Fujisawa Shingo!
I was so lucky earlier, with that secret heart attack ... but what will become of me if I let that life merge with my own?

It would be best if you were a teacher for the whole year. Right now, there's nowhere else for you to escape to!

I was this person! I was living in the middle of the smell of gun-smoke and oil!
It was my life, and I'd be side-by-side with death on a daily basis if I damn well felt like it!
I wore the same face, but I lived in a completely different world!

They're not the same, Fujisawa Shingo and Jesus.
Well, it won't do if I don't become a completely different person.
...
If I'm going to survive, I must be inconspicuous.
Just like in the African desert, or the South American jungle.
One year ...
The man called Jesus died... at least, in the eyes of the public. Now, he's in the process of dying himself.

I am Fujisawa Shingo!
In one year, I'm surviving!

and you come dressed like you're preparing for a war. You need to show restraint in the work-place.

In middle school, Togawa was violent towards his teachers. Since then, he's had the same attitude.

I saw you, Fujisawa Shingo.

The Beretta M92 SB-F.
In '85 the American army introduced this fine gun as their official side-arm.
In Italy, as part of anti-Mafia efforts, it was banned from the market.

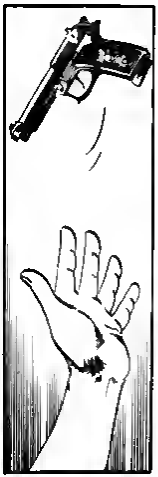
This isn't an easy gun to get through the black market.
Wouldn't do it for anyone but you.

Smuggling small firearms... is that the Shibayama-gumi's source of income?
The gun and bullets both come from the US military.

Their smuggling routes, list of customers, locations of their storehouses ...
all that data was stored and encrypted on the disc you snatched from them.



With this ...

I can thwart them.
So, you're saying you let that teacher woman do what she pleased, and then let that idiot take her?!
Are you telling me the bastard who snuck in through the window took one of our pistols, not to mention the disc?!

ピン
P-please give me a break, Maki-guchi-san!
Hold this. If you drop it, I'll shoot you.

Ah
...
Hino, I'm giving you a new job. Something real dirty, just how you like.

My sister ... did my sister really come here?
Hiro, do you mean to undermine my authority?
No ...
Where's your manners? I won't accept this strange behaviour.
There we go, that's much better.
It's almost like he isn't a Yakuza, but some sort of beast who's borrowed the form of a human being
Sometimes, this Makiguchi person becomes terrifying

Sigh ...
What's wrong, Mizutani-sensei?
Oh, it's nothing.
……

W-
wait!

SFX yawn
I wonder who on Earth saved me last night?
To-gawa Seiji..

What do you want with me, Togawa Seiji?
I saw you.

What did you see?
ぎゅ。
All of it …
Last night, you raided the Shiba-yama-gumi.
And then you saved that teacher Mizutani
Are you going to call the cops?
SFX shake
ｲﾅ､ﾅ､

This guy, it really feels like he'll kill me ...

Lunch break is almost over. Get back to class.

Damn-mit!
Why?! Why can't I stop shaking?
Togawa-kun, were you acting strange around Sensei again?
What's the mat-ter?
What did you say?!

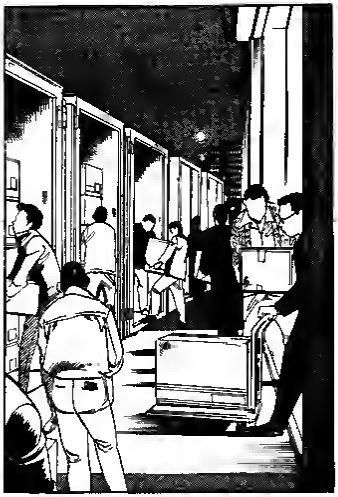
Wa-

I save you and you give me that?
You really look like you enjoy it when you hit people.

Don't mess with me!
Fujisawa is a wolf in sheep's clothing! I'm the one who was beat up!
What did you say?!
When you hurt Fujisawa-sensei, was it just as fun?
Violence is something you love, so I'm sure you truly enjoyed it, right?
Eh?
Dammit, why is she so difficult?

Stealing our guns and that disc, and taking the girl with him that's not something the local Yakuza could manage Definitely the work of a pro
Moreover, he didn't give any threats or demands. What's his intention?



Kawabe-aniki, you're in such a hurry but you're not carrying anything...
Don't mess around! Load 'em in quick!

Nothing was done carefully I didn't think I'd be able to decode their password so easily, but ...
From their hiding places for smuggled goods to their distribution routes, all of it was stored on that disk.
There won't be any problems here.

What the ...?!
So, this was his motive.
Aim for us as we hurry to transport the goods ...
This guy is a monster, the same kind of monster as me.
With this, the Shibayama-gumi is done for.
It takes one to know one.

Ah
...
ah
...

Did you think you'd become stronger by facing something you fear?
Is the Yakuza frightening?
Well then, you're about to die.
Ah...
Nee-chan ...

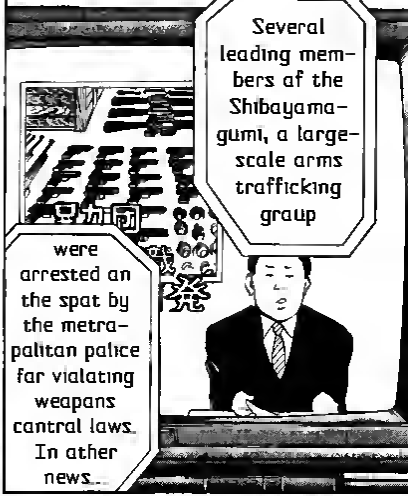
Hiro-shi!
Hi-ro-shi ...
Nee-chan ... why ...?
Me, dead ...
I got a call... that you were dying in that school...

SFX bottom left: sobbing

ウアアア

Siblings sure are a great thing.
Being easily moved to tears is a sign of old age
Yeah, that's it.
So it ends like this, huh.

So I guess that means those land sharks won't be coming around any more
That's a relief.

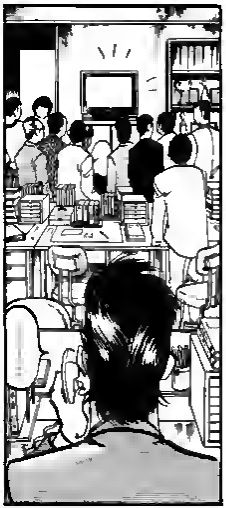


Several leading members of the Shibayama-gumi, a large-scale arms trafficking group
were arrested on the spot by the metropolitan police for violating weapons control laws. In other news...

It's the work of Jesus.

When?
To-night!

Togawa... is this Togawa Sei?
Fujisawa, I'd like to finish this once and for all. This time, without an audience.



Machiguchi Kazuya is still at large, and the metropolitan police are placing a nation-wide alert...
Seen as the main player in this arms trafficking organization
Metro Sedagaya 3, please come in
Is Machiguchi's arrest complete?
Please come in

Morons ... those guys are dead
